Effective date: January 1, 2025

Document owner: Human Resources

Eligibility

All full-time employees of Lumera Tech are eligible for paid vacation leave starting from their date of joining. Part-time employees accrue vacation on a pro-rata basis.

Annual Allowance

- Full-time employees receive 22 paid vacation days per calendar year.
- Part-time employees receive a pro-rated allowance based on hours worked.
- Vacation days are separate from the 10 company-recognized public holidays.

Carry-Over Policy

Unused vacation days may be carried over to the next calendar year, up to a maximum of 5 days. Days beyond this limit are forfeited at year end and are not paid out.

Requesting Vacation

- Vacation requests must be submitted at least 14 days in advance through the HR portal.
- Each request requires approval from both the direct manager and the HR team.
- Emergency leave (illness, family emergency) is handled separately and does not count against the annual vacation allowance.

Vacation During Notice Period

Employees serving notice may use accrued vacation days only with explicit written approval from both their manager and HR. Unused accrued vacation will be paid out in the final settlement.
